We are really excited to partner with DogFest again this year, as it gives us a fantastic opportunity to interact with everyone, and show the joys of having a rescue dog. Why not take part in the Big Dog Walk, where we will be collecting a voluntary £2 donation to take part which will help dogs in their care find their own loving, forever homes, as well as supporting all dogs and owners now and in the future. Plus, you can enjoy a stunning stroll with your four-legged friend around one of the DogFest locations.

The fun doesn't stop there. Whether you're looking for advice or want to hear and see success stories, you'll have to stop by the Dogs Trust Village.

We will have lots of pictures and information about some of the dogs who are looking for homes. So, if you're looking for a four-legged friend, please come along and have a chat with our team and start your rehoming journey with us.

As well as showcasing some of our canine residents, we will also catch up with dogs who are now in their 'forever' homes. Therefore, if you have a former Dogs Trust dog, we invite you to come along and join our reunion parade, as we do love to see how happy and well our dogs are now.

 **BRAND PARTNER**

TropiClean Grooming Products are a range of ready-to-use (no need to dilute) shampoos and conditioners, all of which are soap and paraben free and will not wash away a spot-on flea treatment.

By using a natural solution on your pet, essential oils which your dog's coat needs will be maintained, ensuring a longer lasting fresh smelling coat.

TropiClean shampoos are all enhanced with a mild coconut cleanser blended with other tropical extracts to create a luxurious lather that cleans and nourishes. They smell amazing and leave your pet's skin and coat healthy and soft, suitable for dogs and cats and come in a wide variety of functions, including a 2in1 conditioner, hypoallergenic, flea and tick, and a shampoo specific for dogs which shed! For pets that hate having a bath, the range also features waterless shampoos that have a no rinse, paraben and soap-free formula, alcohol-free Wipes removes dirt, dander, and tough odours quickly and easily, while moisturising and deodorising the skin and deodorising pet sprays that break down odours at their source, eliminating smells and leaving your pet and your home smelling fresh.

Wisdom Panel are on a mission to strengthen the bond between pets and their parents through world-leading insights powered by DNA. Wisdom Panel™ DNA tests help pet parents plan better, care smarter, and love longer.

After 20+ years of research and genotyping more than 3 million dogs, Wisdom Panel™ scientific research has contributed to state-of-the-art genetic tests for dogs, revolutionising pet care. They've built the world's largest database of dog DNA. And with that comes industry-leading insights—including breed mix reporting down to 1%.

Knowing your dog's genetic makeup allows you to tailor care their unique needs and support their health and happiness for years to come. With Wisdom Panel™ you can uncover the breed mix of your dog, dig into the "why" behind their physical features, test for over 250+ genetic health disorders and even find their relatives.

It takes just 15 seconds to swab your dog for a DNA sample, you'll then post it back to the lab (for free) and as soon as they receive it, that's when the science starts. After 2-3 weeks and millions of calculations, your results will arrive in your inbox. Then it's time for you to throw a breed reveal party!

## Unashamedly different dog treats

What's this? A plant-based, 100% natural dog treat, shaped, licked and sniffed all the way from Brighton. Locate our stand to discover our unique W'ZIS slant on all things dog treats — colourful and shapely, with no dull, brown, bone-shaped treats insight. And by popular demand, irresistible flavours are the order of that day, from Postman & Roast to Lamp & Chips, if Heston did dogs... well he doesn't, but W'ZIS do.

You say, "what's this," we write it W'ZIS, the name for a treat that our pooches already know. So visit our W'ZIS Booth to proudly display the genius of your dog and its W'ZIS recall, "say it, and they will come" — you could Win a Tin.

But that's not all, from W'ZIS Tiddley Winks to possibly jet packs for dogs. Fun and games aplenty might or might not appear within our Ban the Bone Zone. We're at Dogfest to put a smile on your dog's face, a spring in your step and some fabulously different treats in your pocket.

Watch this space for updates as we develop our plans and work out what more we can actually get away with. And in the meantime, visit [www.wzis.dog](http://www.wzis.dog) and get 15% off your first purchase with DOGFEST15.
