## HONOURING LUCY

### 2021 SUPERDOG OF THE YEAR

In November 2021, at a glamorous ceremony in London hosted by Stacey Dooley, there wasn't a dry eye in the house when Lisa accepted the prestigious SuperDog Award for her little Lucy who passed over the Rainbow Bridge in 2016.

Lucy was a Cavalier King Charles Spaniel who was rescued by Lisa Garner from a puppy farm in early 2013 at 5 years old. Emaciated and sickly with neglect Lucy had no doubt been without simple love and affection for a very long time. She changed the laws of puppy farming when Marc Abraham wrote the book Lucy's Law and started Pupaid - making Lucy the poster girl for new legislation.

Lisa and her precious new pup, Plum Pudding, continue to advocate for changes to legislation to honour Lucy's legacy of positive change. You can meet them at DogFest Ragley and join the fun when they lead the Big Dog Walk.

On the 6th of April 2020, the Government introduced Lucy's Law to improve the welfare of pets by banning the third-party sale of puppies and kittens in England. This means that anyone wanting to get a new puppy or kitten in the UK must buy directly from a breeder or adopt from a rescue centre instead. It also means that licensed dog breeders are required to show puppies interacting with their mothers in their place of birth. This loving little dog's legacy is Lucy's Law, she has saved other dogs from suffering the evils of puppy farming.

## BEHAVIOUR ZONE

## **BRAND PARTNER**

Burns Pet Nutrition is super excited to be at DogFest this year. The Burns nutritionists and crew will be on hand to give expert advice on recipe selection as well as free nutritional expertise on a variety of topics including doggy diets, pup sensitivities and common problems such as fussy eating, weight issues and sensitive digestion.

Burns was the first pet food brand in the UK to introduce healthy food without any nasty chemicals or harsh preservatives. Burns was originally developed almost thirty years ago by veterinary surgeon, John Burns, and since then, the company has sold over 2 billion bowls worldwide.

In all this time, Burns hasn't let up on their philosophy of good food for good pet health and happiness. They use only the finest, most wholesome ingredients in their food, such as healthy chicken and brown rice, and never compromise on quality or taste. This philosophy has given Burns a fantastic reputation among pet owners, and resulted in several awards, including a 92% top score in the latest Which? consumer poll of best dog foods.

Our nutritional advisers will be on hand at Loseley Park to answer any questions pet owners might have about diet and nutrition and they'll steer you on the right nutrition pathway for your precious pooch. What's more, you can win a massive ONE YEAR SUPPLY of BURNS PET FOOD with a special competition for paw parents who visit us at the show. Stop by to meet the team and find out why Burns is the brand of choice for happy, healthy pets everywhere.

 <https://www.dogstrust.org.uk>

 <https://www.instagram.com/Dogstrust>

 <https://www.facebook.com/DogsTrust>

 <https://twitter.com/DogsTrust>

Dogs Trust (formerly the NCDL) is the UK's largest dog welfare charity and cares for over 14,000 dogs each year through a network of 20 rehoming centres in the UK. Our mission is to bring about the day when all dogs can enjoy a happy life, free from the threat of unnecessary destruction.

We are really excited to partner with DogFest again this year, as it gives us a fantastic opportunity to interact with everyone, and show the joys of having a rescue dog. Why not take part in the Big Dog Walk, where we will be collecting a voluntary £2 donation to take part which will help dogs in their care find their own loving, forever homes, as well as supporting all dogs and owners now and in the future. Plus, you can enjoy a stunning stroll with your four legged friend around one of the DogFest locations.

The fun doesn't stop there. Whether you're looking for advice or want to hear and see success stories, you'll have to stop by the Dogs Trust Village.

We will have lots of pictures and information about some of the dogs who are looking for homes. So, if you're looking for a four-legged friend, please come along and have a chat with our team and start your rehoming journey with us.

As well as showcasing some of our canine residents, we will also catch up with dogs who are now in their 'forever' homes. Therefore, if you have a former Dogs Trust dog, we invite you to come along and join our reunion parade, as we do love to see how happy and well our dogs are now.

## WE GOT A NEW NAME

We've shown we love pets just as much as you do, but a few vets and pet parents pointed out that our old name didn't exactly scream (or howl) pets. So, we changed it to ManyPets.

## SERESTO

SerestoUK

**AGILITY RING**  
**PARTNER**

Seresto Flea and Tick Control collar are so excited to be supporting DogFest for the first time this year. Make sure that you and your dog come and find us at the agility ring for the chance to have a go!

Our stand will be situated at the exit of the agility ring at Ragley Hall, so pay us a visit and enter our competition to be in with a chance of winning £200 of pet travel vouchers! You could also pick up a few prizes for your dog on the day!

Seresto is clinically proven to kill fleas and actively repel and kill ticks in both cats and dogs for 7-8 months.

Odourless, non-greasy and easy to apply, Seresto is the longest-lasting single application flea and tick protection available.

The collar also features a safety release mechanism, providing you with peace of mind for those more adventurous pets!

For more information about Seresto visit [Seresto.co.uk](http://Seresto.co.uk)

Wisdom Panel are on a mission to strengthen the bond between pets and their parents through world-leading insights powered by DNA. Wisdom Panel™ DNA tests help pet parents plan better, care smarter, and love longer.

After 20+ years of research and genotyping more than 3 million dogs, Wisdom Panel™ scientific research has contributed to state-of-the-art genetic tests for dogs, revolutionising pet care. They've built the world's largest database of dog DNA. And with that comes industry-leading insights—including breed mix reporting down to 1%.

Knowing your dog's genetic makeup allows you to tailor care their unique needs and support their health and happiness for years to come. With Wisdom Panel™ you can uncover the breed mix of your dog, dig into the "why" behind their physical features, test for over 250+ genetic health disorders and even find their relatives.

It takes just 15 seconds to swab your dog for a DNA sample, you'll then post it back to the lab (for free) and as soon as they receive it, that's when the science starts. After 2-3 weeks and millions of calculations, your results will arrive in your inbox. Then it's time for you to throw a breed reveal party!

By testing your pet's DNA with Wisdom Panel, you're contributing to the largest veterinary genetic research study (ever). Each test carries us closer to the next scientific breakthrough in pet health.

## Unashamedly different dog treats

What's this? A plant-based, 100% natural dog treat, shaped, licked and sniffed all the way from Brighton. Locate our stand to discover our unique W'ZIS slant on all things dog treats — colourful and shapely, with no dull, brown, bone-shaped treats insight. And by popular demand, irresistible flavours are the order of that day, from Postman & Roast to Lamp & Chips, if Heston did dogs... well he doesn't, but W'ZIS do.

You say, "what's this," we write it W'ZIS, the name for a treat that our pooches already know. So visit our W'ZIS Booth to proudly display the genius of your dog and its W'ZIS recall, "say it, and they will come" — you could Win a Tin.

But that's not all, from W'ZIS Tiddley Winks to possibly jet packs for dogs. Fun and games aplenty might or might not appear within our Ban the Bone Zone. We're at Dogfest to put a smile on your dog's face, a spring in your step and some fabulously different treats in your pocket.

Watch this space for updates as we develop our plans and work out what more we can actually get away with. And in the meantime, visit [www.wzis.dog](http://www.wzis.dog) and get 15% off your first purchase with DOGFEST15.
